

CURRICULUM VITAE OF Zohre Foroozanfar PhD in Epidemiology

Personal Information

Name: Zohre Foroozanfar

Birth Place: Iran

E-mail: foroozanfar.zohre@gmail.com

Work address: Institute of health, Shiraz University of Medical Sciences, Iran.

Education

- **Ph.D. in Epidemiology**, Tehran University of medical sciences (TUMS), Tehran, Iran. (2016.02.02 – 2020.09.12)
- **M.Sc. in Epidemiology**, Kerman University of medical sciences (KUMS), Kerman, Iran.(2011.09.23-2014.06.20)
- **B.Sc. in Public Health**, Kerman University of Medical Sciences (KUMS), Iran. (2009.08.23-2011.06.20)
- **Associate Degree**, Public Health, Yasouj University of Medical Sciences(YUMS), Iran.(2007.08.23-2009.06.20)

Thesis

PhD Thesis:

Factors affecting prognosis of patients with ischemic stroke in Tehran- A prospective cohort study

M.Sc. Thesis:

Prevalence of metabolic syndrome and its associated factors in patients with type 2 diabetes and comparison of the prevalence of carpal tunnel syndrome and median nerve indices in diabetic patients with and without metabolic syndrome

Membership

- Reviewer of Journal Of Neyshabur University Of Medical Sciences(September 2014-Agust2015)
- Member of Ethics Committee, Neyshabur University Of Medical Sciences(September 2014-Agust2015)
- Member of Research Council, Neyshabur University Of Medical Sciences(September 2014-Agust2015)
- Member of the Research Council of the Student Research Committee, Neyshabur University Of Medical Sciences(September 2014-Agust2015)
- Reviewer of Iranian Journal of Epidemiology (from 2019)
- Reviewer of Jouranal of Biostatistics and Epidemiology(from 2021)
- Member of Iranian Epidemiological Association(from 2018)

12. Evaluate the quality of services Gap Based on SERVQUAL Model in people living with HIV (PLWH) in Shiraz, Iran

Research Projects

- 1- Prevalence of metabolic syndrome and its associated factors in patients with type 2 diabetes and comparison of the prevalence of carpal tunnel syndrome and median nerve indices in diabetic patients with and without metabolic syndrome.(2013)
- 2- Exclusive breastfeeding and its related factors in infants 6-12 months in Neyshabour.(2014)
- 3- Prevalence of Helicobacter pylori infection in adults in Neyshabour and Firoozeh. (2014)
- 4- Quality of life in women referred to health centers in Neyshabour.(2014)
- 5- Prevalence of self-medication and its effective factors in women in Neyshabour.(2015)
- 6- Assessing the level of knowledge in students of Neyshabour University of Medical Sciences about the role of nutrition in cancer.(2015)
- 7- Evaluation of mental health and coping skills in Neyshabour hospitals.(2015)
- 8- Evaluation of spiritual intelligence and its related factors in students of Neyshabour School of Medical Sciences.(2015)

- 9- Factors affecting prognosis of patients with ischemic stroke in Tehran- A prospective cohort study.(2018)

Honors

- Ranked 5th among examinees for the Ph.D entrance exam
- Top student in B.Sc. and M.Sc.

Positions and Employment

Faculty member of Neyshabour University of Medical Sciences (September 2014-August2015)

Director of Research and Evaluation of Research in Neyshabour University of Medical Sciences (September 2014-April 2015)

Institute of health, Shiraz University of Medical Sciences; Researcher (December2020-present)

Abilities and Skills

- Office software
- SPSS software
- STATA software
- Endnote

Attended Short Courses, Workshops

1. Scientific writing, Kerman University of Medical Sciences, Iran.(2012)
2. Ethics in publications, Kerman University of Medical Sciences, Iran.(2012)
3. Working with STATA Software, Kerman University of Medical Sciences, Iran.(2012)
4. Sample size determination, Kerman University of Medical Sciences, Iran.(2012)
5. Management of long documents by Word office software, Kerman University of Medical, Iran. (2012)
6. Searching and retrieving scientific information on the web, Kerman University of Medical Sciences, Iran. (2012)
7. How to have a personal library? Use of Endnote to manage scientific information and references, Kerman University of Medical Sciences, Iran. (2012)
8. Paper writing on qualitative research paper, Kerman University of Medical Sciences, Iran. (2012)

9. Steps to submit a manuscript to scientific international journals via internet, Kerman University of Medical Sciences, Iran. (2012)
10. How to design a questionnaire, Kerman University of Medical Sciences, Iran. (2012)
11. R Statistical Software, Kerman University of Medical Sciences, Iran. (2012)
12. APA writing style, Shiraz University of Medical Sciences, Iran. (2019)
13. Teaching method, Tehran University of Medical Sciences, Iran. (2019)
14. English paragraph writing, Shiraz University of Medical Sciences, Iran. (2019)

Teaching Experience:

- Working with SPSS software workshop, Neyshabur University Of Medical Sciences.(2015)
- Research methodology workshop, Neyshabur University Of Medical Sciences.(2015)
- Quality control and quality assurance, Shiraz University of Medical Sciences, Iran. (2021)
- Teaching courses on Research methodology, SPSS software, principles of Epidemiology and Epidemiology of common diseases in B.Sc. students, Neyshabur University Of Medical Sciences. (September 2014-August2015)
